THE KINKS

This month we will be going right back to the 1960's with The Kinks and a track from their 1967 album "Something else by The Kinks". "Waterloo Sunset" is a timeless classic and a great riff to kick off 2012!

Student of the Month

Matt Hughes is this month's grade A student. Matt achieved a Distinction in his Grade 3 RGT guitar examination this winter. Well done Matt, keep up the good work in 2012!

Things to look out for!

The RGT spring examinations are upon us! Students who are taking these examinations should now be putting the fine touches to their performance pieces, sight reading, theory etc Good luck to you all!

FREE BACKING TRACKS!!

This month I'm giving away free backing tracks! all you need to do is bring in a blank DVD in and i'll put them onto disk for you. There's around 600 in total so there should be something there for every genre!

HAPPY NEW YEAR!

Here's looking forward to another great year at Guitar School! This year the main focus will be getting students to master an entire track from start to finish. We will also be making your RGT graded examinations a priority whilst also focusing on getting those of you who are interested, recording and being creative with your music!

As ever I will be stocking a large range of guitars, amplifiers, effects and accessories here at Guitar School. If there's anything I don't stock just ask and i'm sure i'll be able to get it for you cheaper than the shops!

I hope you're all looking forward to 2012 as much as I am!
