

GUITAR SCHOOL

Raising the standard in

GUITAR EDUCATION

JULY 2011 NEWSLETTER

METALLICA

This month Guitar School's students will be working on the classic Metallica track **Enter Sandman**

LATEST NEWS.....

Guitar School's students now have the **BOSS ME-70** effects pedal to use in the studio! a truly amazing piece of kit I'm sure you'll agree.

THE MUSIC PLACE

This is the only place you'll need to look for all your guitar gear! **Guitar School** now stocks a large range of tuition books, strings, leads, capo's, tuners & recording software/hardware from well known suppliers such as **BOSS, D'ADDARIO, ERNIE BALL, M-AUDIO, MARTIN & THOMAN**

Check out this month's hottest deal....The **M-AUDIO FASTRACK** complete with **PRO TOOLS**. All you need to start creating your own monster tracks at home for just £79.99!

Student of the Month

Matthew Hughes earns his first student of the month award this month. Matt is making great progress towards his RGT grade 4 examination and is on track to take the exam in the winter. keep up the good work Matt!

Things to look out for!

The RGT summer examinations are upon us! Students who are taking these examinations should now be putting the fine touches to their performance pieces, sight reading, theory etc Good luck to you all!

HOT TIPS!

This month I will be showing you how to achieve more speed and accuracy in you picking. Those of you that are into your metal will hopefully find this a useful exercise!
