MUSE

This month Guitar School's students will be working on a **MUSE** style riff using the major & minor arpeggios

Student of the Month

Thomas Hudson is this month's grade A student. Thomas achieved a distinction in his summer RGT grade 5 guitar examination last month. This was the first RGT guitar examination he'd done so i'm really pleased. Well done Thomas, keep up the good work!

HOT DEALS

JIM DUNLOP ORIGINAL CRY BABY PEDAL

£84.99

The Crybaby Wah has been a standard in the world of music since its introduction in the late 1960's. Its rugged construction and efficient design will give years of outstanding performance. When people talk about wah pedals, they're talking about the Dunlop Crybaby. This is the original—the one that created some of the most timeless sounds in rock. Relied on by Jimi Hendrix, Eric Clapton, Buddy Guy, David Gilmour, and many other greats.

GHS FAST FRET £7.99

Look after your instrument with GHS Fast Fret - not a spray, contains no silicone. It's a liquid in an applicator, use it thomann on strings, fretboard, back of neck, lets fingers slide freely, keeps strings clean, good for wood. Makes your strings last longer and keeps your guitar sounding great!

Things to look out for!

The RGT winter examinations are upon us! Students who are taking these examinations should now be putting the fine touches to their performance pieces, sight reading, theory etc Good luck to you all!

FREE BACKING TRACKS!!

This month I'm giving away free backing tracks! all you need to do is bring in a blank DVD in and i'll put them onto disk for you. There's around 600 in total so there should be something there for every genre!
