Raising the standard in

GUITAR EDUCATION

OCTOBER 2011 NEWSLETTER

THE CLASH

This month Guitar School's students will be working on the massive iconic track London Calling

Student of the Month

Asher Blythin is this month's grade A student. Asher has had a good month this time round working hard and achieving great results with his slide guitar improvisation! Keep up the good work Asher!

HOT DEALS

JIM DUNLOP ORIGINAL CRY BABY PEDAL £74.99

The Crybaby Wah has been a standard in the world of music since its introduction in the late 1960's. Its rugged construction and efficient design will give years of outstanding performance.

When people talk about wah pedals, they're talking about the Dunlop Crybaby. This is the original—the one that created some of the most timeless sounds in rock. Relied on by Jimi Hendrix, Eric Clapton, Buddy Guy, David Gilmour, and many other greats.

FARIDA MARINA MD-05 Acoustic £99.99

Farida's entry level Dreadnought, the Farida Marina MD-05 is quite simply unbeatable at it's pricepoint.

Incredibly resonant for a laminate body guitar, the MD-05 keeps everything simple and effective, focusing on sound and playability. The satin finish of this model adds to the wide open tone, as well as looking and feeling fantastic. The action is low and easy, ideal not only for a beginner but anyone looking for a fantastic guitar at a fantastic price.

Things to look out for!

The RGT winter examinations are upon us! Students who are taking these examinations should now be putting the fine touches to their performance pieces, sight reading, theory etc Good luck to you all!

Free Backing Tracks!!

This month I'm giving away free backing tracks! all you need to do is bring in a blank DVD in and i'll put them onto disk for you. There's around 600 in total so there should be something there for every genre!
