Connah Proctor is this month's grade A student. Connah achieved yet another distinction in his spring RGT grade 3 guitar examination last month. That's 3 distinctions and a merit for Connah now over 4 examinations. Well done Connah, keep up the good work!

Things to look out for!

The RGT summer examinations are upon us! Students who are taking these examinations should now be putting the fine touches to their performance pieces, sight reading, theory etc Good luck to you all!

This month I'm giving away free backing tracks! all you need to do is bring in a blank DVD in and i'll put them onto disk for you. There's around 600 in total so there should be something there for every genre!
