*The rhythm*

♩ 74

*Intro*  $\frac{4}{4}$  Am | Em/A | Dm7 E7#5b9 | Am |

*Verse*  
 Am Em/A  
 High tide, mid-afternoon,  
 Dm7 E7#5b9 Am  
 People fly by in the traffic's boom,  
 Em/A  
 Knowing just where you're blowing,  
 Dm7 E7#5b9 Am  
 Getting to where you should be going.

*Verse 2*  
 Em/A  
 Don't let them get you down,  
 Dm7 E7#5b9 Am  
 Making you feel guilty about,  
 Em/A  
 Golden rain will bring you riches,  
 Dm7 E7#5b9 Am  
 All the good things you deserve now.
